Cherry Lake could become Dust Bowl

The big inquiry has been set up to prevent Cherry Lake from becoming a summer dust bowl.

There are two big questions: Who controls the lake, and how can the authorities stop the speedsters who use the dry bed of the lake as a drag strip.

The cars break up the hard crust on the lake bed when it goes dry, and the wind has been whirling the dust over nearby homes.

The Council is examining the problem.

Mr. G. W. Gilson of Fisher Court, Altona, had written to the Council:

"During the recent dry spell you will recall that Cherry Lake became dry. The dry bed of the lake then became a vehicle speedway for many persons. The vehicle traffic broke the thick crust of the lake surface and churned it into thick fine dust. Consequently, in windy conditions, particularly winds from the north, the dust was picked up and blown as a thick dust storm over the adjacent houses. Visibility at this stage was reduced to about 20 yds.

"Following these dust storms it would take women-folk of the area two to three days to clean the dust from the interior of their homes.

"At the time several unsuccessful approaches were made to the local police station to seek action to have the offenders removed from the lake site. They advised that no action could be taken as the area was off the highways.

"Currently the lake is again fast drying and it will only be a matter of weeks to a repeat performance of conditions as outlined above. Already several endeavours have been made by youths to drive their cars on the dried surfaces only to be bogged in the attempt. In an endeavour to reduce the above effects, it is respectfully requested whether urgent Council action can be taken to prevent all vehicles in future from using the dried surface of the lake for driving activities", Mr. Gilson wrote.

It perhaps would be cheaper."

The Shire Engineer, Mr. R. C. Simmons said, "That was considered some years ago — the Board of Works considered it.

"But it was dropped because it would upset the natural environment of the lake.

"The water in the lake is not pure, but it is not brackish, and there has been some growth of grasses in the lake.

"These are not sea grasses and would be killed if sea water was pumped in. "And it would disturb the natural environment such as the birds."

Crs. P. Burns and R. Richards successfully moved that the Works Committee seek legal opinion on the problem.

Keep Australia Beautiful

The Shire President, Cr. W. L. J. Crofts and Mrs. Crofts were guests at Government House last Friday when the Governor, Sir Rohan Delacombe, launched the organisation Keep Australia Beautiful Council.

CR. W. L. J. CROFTS

The Council lists five aims:—

To safeguard the character and beauty of the Australian landscape through the prevention of litter;

To foster and encourage the appreciation of clean and well-kept cities and the countryside;

To preserve and improve the appearance of our environment in the schools, factories, shops and offices, in parks, beaches and recreation places and along the roadside by the prevention of litter;

To promote litter prevention through publicity of all kinds, provision of litter receptacles and encouragement of suitable legislation; and

To maintain continuous and effective campaigns against the disfigurement of the landscape by litter and to encourage a responsible community attitude to cleanliness in all public places.

Cr. Crofts joins with the

Governor of Victoria and the Minister for Local Government, Hon. R. J. Hamer, in appealing to all citizens to support the aims of the Keep Australia Beautiful Council.

Cr. Crofts said yesterday that he thought the Altona Shire Council had always encouraged civic pride by their policy of sponsoring Operation Beachclean and by extensive tree planting throughout the Shire.

The people of Altona and visitors are urged to place their litter in the receptacles provided on the foreshore so that the Altona Beach can be kept free of broken glass and empty tins.

The necessity for this will become most evident in the coming months. Otherwise the regular influx of beach visitors can be expected to bring an aftermath of refuse.

SMALLPOX VACCINATIONS

Smallpox Vaccination of infants up to 2 years of age will be conducted at the Altona Civic Hall on Friday, November 29, 1968, at 11 a.m.

No appointments necessary. See advertisement, page 7.

Licensing Facilities extended

Licensing facilities have been extended at the Altona Working Men's Club.

For some time liquor has been available for consumption on the premises.

Now members may purchase bottles or cans to take home.

Christmas Pantomime

"BABES IN THE WOOD"

Dates for the pantomime presented by the Altona Drama Group — "Babes in the Wood", have now been revised and performances will be held on December 3 and 4 at the Civic Hall.

Rehearsals have been going on under some difficulty due to shortage of people but it is hoped that major hurdles have been crossed and remaining rehearsals can go ahead smoothly.

Many of those in the pantomime will be well known from past efforts — the part of "Mary Popout" is taken by Gwladys Winfield, "Hickory" by Peter McGuckian, "Dickory" by Merv Marsh, "Robin Hood" by Graham Murdoch, "Maid Marion" by Olga Mitchellmore, "Friar Tuck" by Margaret Barrow and the two "Babes" by Lynne Evans and Gillian Walker respectively.

The difficulty concerning a pianist has now been resolved as Mrs. May Stringer has kindly agreed to help.

A pantomime makes strong demands on the group because of the number of parts involved and this production has shown again the need for more people. The group appeal again to those who may be interested in joining to come along.

Tickets for the pantomime may be obtained from members of the group or by calling at 19 Burt St. Prices are 50c for adults and 20c for children.

Car Broad-sides around corner into path of Police Car

A motorist who broadsided from the Esplanade into Maidstone Street, Altona, and continued to keep up his excessive speed was fined \$15 at Williamstown Court last week.

Ian Sylvester Trotter of South Oakleigh was charged with turning into Maidstone Street and then continuing to travel at such a speed as to have been unable, if required, to stop in time to avoid an accident.

A further charge of failing to keep to the left of parallel white lines when turning right was dismissed.

Trotter pleaded not guilty to both charges and was represented by Mr. Fookes.

Constable G. McMahon of Altona told the Court that at 3 p.m. on August 27, he was driving a police car southwards in Maidstone Street. With him was Sergeant Bodie as passenger.

Approaching the Esplanade, he heard a screech of brakes. A white car driving west along the Esplanade entered the intersection at a fast speed and broadsided round the corner in a right

hand turn. The car, cutting the corner, was on the incorrect side of the road for approximately 20 yards.

Constable McMahon said he spoke to Trotter when he pulled up in Maidstone Street. Trotter told him he was looking for Maidstone Street but did not know exactly where it was. He said he was travelling at about 35-40 mph.

In reply to Mr. Fookes, Const. McMahon said the car was six feet on the incorrect side of the road, six feet from the centre line and then the width of the car. On the road were skid marks which Trotter admitted were his.

Giving evidence Trotter said that he was travelling along the Esplanade looking for Maidstone Street. When he reached a corner and noticed the Esplanade became a dirt track he

realised the street to his right was Maidstone Street. He said he applied the brakes of the car and intended to change down in gears but his foot seemed to stick on the brake pedal causing him to skid round the corner.

Two Accidents in Queen St.

One driver was seriously injured in one of the two accidents which occurred in Queen Street, Altona, this week.

He was the driver of a car travelling from Laverton to Altona at about 6.15 p.m. on Tuesday.

The car, apparently out of control, rolled several times. A passenger escaped injury.

About midnight on Saturday two cars travelling in opposite directions collided at the bend in the street where Apex Park adjoins the Explosives Reserve.

The injured were taken by ambulance to hospital for treatment.

CR. J. J. GINIFER — "We should get legal opinion."

Cr. J. J. Ginifer told the Council that it could get a clear definition from the Board of Works on who was responsible for the lake.

"We should get legal opinion."

He said "I honestly believe the moral responsibility lies with the Board of Works, but this does not mean it will work."

Cr. D. K. Grant asked, "Has filling the lake with sea water been suggested?"

EDITORIAL

THE VANISHING LAKE

Apart from its peculiar character of two series of house numbers, Millers Road has some notable features with varying degrees of oddity.

First there is the welcome sign of which few Victorian municipalities can boast a counterpart. Then there is a hole in the ground which, however useless, is beyond price. Next is a large area of land (the hospital site) which cannot be used for its destined purpose and meanwhile must not be used in any other way.

Then we have a cow pasture near a meandering stream. There is a unique drain with a dry input and a wet outlet. Finally we have a vanishing lake.

All these adjoin the main thoroughfare of our rising municipality.

There is no gain in ignoring the position, Cherry Lake does go dry. The bare facts speak for themselves. What to do about it is another matter.

The Council can consider and investigate all aspects of the lake but can only act in such manner as the Board of Works approves. And as the Board's province seems to be providing drinkable water in minimum quantities and disposing of non-drinkable water with the greatest expedition, it is not likely to be of much use.

Time was when Altona was in a certain state of repute because of prevailing swamps and frequent floods.

It appears that the Board in its wisdom (in co-operation with Jupiter Pluvius) is achieving the other extreme.

It may not be asking too much of them that in the case of Cherry Lake they take the middle course. Cherry Lake has been so long with us that we hate to lose it, even temporarily.

If it must be so, we must make the best of it. New Zealand has its tourist attraction of the disappearing mountains, New South Wales has its fluctuating Lake George. Victoria can have its vanishing lake in Altona.

SECRETARY SEES BRIGHT FUTURE FOR MUSIC SOCIETY

Highlights of the Altona Music Society now two years old have been the forming of senior and junior choirs, an accordion and instrumental band, pop band and classes for instruction of music theory, said the Society's secretary, Mrs. R. Keeshan in her annual report.

Following are extracts from the report:

The senior choir performed with merit during the first Altona Arts Festival and the junior choir and accordion band entertained candidates and visitors at a naturalisation ceremony at the Civic Centre.

All three branches are now at their highest level since the founding of the Society in 1966 and a bright future seems assured.

The talented music director, Mr. P. Pearce, who successfully presented his own composition, the 23rd Psalm, during the Festival has recently written an Oratorio which will be performed in public at the Williamstown Town Hall in December.

This Oratorio with its Christmas theme, will be performed by the senior choir and soloists from the Society supported by the Mount St. Joseph Girls Choir.

The thrilling music, all of which has been specially composed, promises to be one of the highlights in the Society history.

Society members are appreciative of the many friends whose assistance has been vital to the field of music — the Shire Council, the voluntary accompanists Miss O'Brien, Mrs. Hyde, Mrs. Edwards, Mr. Clarke (senior choir) and Mrs. Skinner (junior choir) and donors who have made awards and scholarships possible have been Mrs. K. Mitchell, Mr. W. Lee and the Shire Council.

It is impossible to express adequate appreciation of the work done by the Committee of Management, particularly the ladies.

The interest of these people in music makes the Society very fortunate.

Nominations have closed for the election of office bearers at the annual meeting on December 7.

No ballot will be required and members nominated for office are — President, Mrs. J. Pearce; Vice Presidents, Mesdames K. Mitchell and R. Keeshan; Secretary, Mr. W. Lee; Assistant Secretary, Mrs. E. Glennon; Treasurer, Miss A. Foster; Music Director, Mr. P. Pearce; Assistant Music Director, Mr. F. Fleming; Committee Members, Mrs. M. Foster, Messrs. B. Lee, P. Pearce and J. Hould and Chief Administrator, Mrs. A. Foster.

Ants Sell

Cactus Plants will

Cactus plants will be the specialty at the Sale of Goods at Altona North Technical School this Friday, November 22, at 1.30 p.m.

The stall has been organized by the Mothers' Club who also will be providing cakes and other goods for sale.

RAILWAYS WORK PROGRAMME

Two hundred freight wagons and six new carriages will be finished at the Victorian Railways workshops at Newport, Ballarat and Bendigo North in the 1968-69 year.

These are two of the items provided for in the 1968-1969 railways works programme for which the State Treasury has allocated \$17,064,000.

Provision also has been made for more track relaying, grade separations at seven locations, more locomotives and further works that would ultimately mean improved peak-hour services on the Box Hill group of lines and the Geelong line.

In addition, the Melbourne goods yard re-arrangement works will be stepped-up to provide a "production line" freight service, the Victorian Railways Commissioners said recently.

Included in the allocation are special amounts totalling \$1½ million to buy air-conditioned rail-cars for the Ararat-Portland line and more grain hopper wagons, and for building new railways from Welshpool, to Barry Beach and Tyabb to Long Island.

The biggest amount — \$4 million — would be used to relay 184 miles of country track and five miles of metropolitan track, to give smoother train riding and reduce maintenance costs. Points and crossings would be renewed at about 75 locations.

Provision of two additional tracks between Jolimont Junction and Richmond, a third track from Burnley to Hawthorn, and extension of the Hawthorn-East Camberwell track towards Mount Albert will, with the underground rail loop, eventually mean increased peak-hour services and more express running of long distance trains on the Box Hill group of lines.

The Geelong line duplication, that has been completed from Newport to Werribee, would be continued towards Little River to further reduce train crossover times and provide better timekeeping. When this section is completed,

only 10 miles of the busy Geelong line — between Corio and Little River — would be single track.

Work on Melbourne's freight yards re-arrangement to include Australia's first automated hump shunting, in conjunction with the provision of more goods handling facilities and the proper integration of marshalling, would result in a greater flow of traffic through the yards and provide considerable economies.

Grade separation works for which the Railways were the construction authority would continue or start at Canterbury Road, Canterbury; Princes Highway, Traralgon; and Somerville Road, Yarraville; and where the Country Roads Board was the constructing authority, at Princes Highway, Garvock; Foster-Fish Creek Road, Hoddle; South Gippsland Highway, Lock; and Princes Highway, Winchelsea.

The workshops at Newport, Ballarat North and Bendigo North would build 200 more bogie-type freight wagons to meet the continuing freight demands and to replace obsolete fixed wheel wagons. Six 75-ft. long modified "Harris" type suburban trailer carriages would be completed and tested in service before the start of the next major suburban train construction programme.

"Tell The Agent" or "Think First"

Before a prospective home buyer contacts his agent he should give some thought to the size and location of the property he wants and the price he can afford so that the agent can start on the right track immediately. As for the size, a buyer should aim for one with enough bedrooms to take

Post Christmas Mail Early

The Director, Posts and Telegraphs, Mr. G. N. Smith, today appealed to the public to post Christmas mail early. He said that it would help the Post Office if gifts and greeting cards were posted before December 18.

Mr. Smith urged business firms and other organizations to post mail progressively rather than hold it until the end of each day. This would greatly facilitate processing in the Mail Handling Sections.

He also asked members of the public to pack and wrap all gifts securely and to address them fully and clearly, adding the sender's name, address, and postcode number on the back. Fragile contents should be adequately protected to prevent damage from pressure or shock during transit.

Mr. Smith said that the traditional co-operation of the public should ensure the usual prompt delivery of all Christmas postings.

AUSTRALIAN STAMPS

Throughout Australia there are believed to be old postage stamps worth tens of thousands of dollars — lying idle because their present owners do not know anything about stamp values.

Many of the stamps issued by the Australian states in the period before Federation — when each separate state had its own postal system and its own stamps — are extremely rare and realise very high prices when sold to collectors.

For example, Australia's first stamp — the "Sydney Views" issued by N.S.W. in 1850 are now worth up to \$300 each — although their original face value was only a penny. Many other stamps from the other states also individually sell for many hundreds of dollars.

This is revealed in a quick browse through The Australasian Stamp Catalogue published (price \$1) by Review Publications Pty. Ltd. of Dubbo, N.S.W.

The Australasian Stamp Catalogue lists, illustrates and prices all the stamps of the Australian States (from 1850 to 1901), of the Australian Commonwealth from Federation to date and of the Australian Dependencies (Papua/New Guinea, Norfolk Island, Nauru, Christmas Island, Cocos Island and the Australian Antarctic Territory).

Each stamp is separately, both used and unused, and the catalogue gives full details of the designs, the designers, perforations, watermarks, printing methods, quantities printed and dates of issue. The catalogue also has a handy reference section on Forgeries, Bogus Issues, Airmails, Experimental Papers, Illegal Imper Issues, O.S. Stamps, Commonwealth printers and Basic Letter rate changes from 1911 to 1967.

The Australasian Stamp Catalogue is printed in large format (9½" x 7¼") with three columns to the page. It is produced photo offset and has a striking four colour cover depicting stamps of the whole Australasian area.

care of the possible future growth of family, sufficient storage area, adequate space for hobbies and leisure activities.

On the question of location, look for a house which suits your particular need the best. For one family it might be nearness to work, shopping centre and public transportation. For another perhaps, it is a lot of private play space, the quiet of an outlying area, or convenience to a school or park.

Your properly engaged estate agent has had years of experience and can be of real assistance in offering you his advice to help you solve your housing problems — but he can best serve you if he knows what you want.

DARTS

Monday night at the Altona Working Men's Club saw the opening match of the Combined Licensed Clubs. This first competition is a knock-out played on a repechage basis with final rounds being played, possibly at Duckboard House.

Brunswick Club were the visitors at A.W.M.C. for the first match. Whilst they are not a skilful team they are very keen. Their captain C. Kellet gave fellow Yorkshireman M. Ellis a hard game, Ellis finally gaining a narrow victory on best of three legs.

K. Kennedy and D. Stirk played brilliantly. Kennedy finished one leg in twelve darts pegging out on 78 in two darts, he also scored

a 100. Stirk demoralised his opponent by scoring 180, 121 and 100, other high scores were: C. Halton, C.

Neal and M. Ellis all 100. C. Neal 100 being his finish in 2 darts. Newcomer to A.W.M.C. J. Darburn also played very well, apart from having trouble in his first leg against the grem-lins who guard double 1.

A.W.M.C. were eventual winners at 9 games to 1.

A good supper was provided and K. Kennedy proved he is not only a good dart player, but a good eater finishing his share of fare in 10 bites.

The team appreciated the use of the associates room, which is a little more pleasant than playing in the bar.

CANBERRA DIARY

By MERV. LEE, M.P.
On Thursday last, I attended a conference with the Minister for Civil Aviation, (Mr. Swartz) and Mr. Carr and Mr. Schoenberg of Tullamarine Estates Pty. Ltd. concerning the development which is taking place south of Sharpe's Road, Tullamarine.

Earlier, I had stated that I was firmly opposed to housing development in this area because of noise problems which will develop in later years with the growth of air traffic into the new jetport.

I have made a number of suggestions to the Minister for the disposal of the land.

A Joint Committee of Federal and State officials is also considering this problem, and I am hopeful that a satisfactory solution will be found at an early date.

The decisions which are made could ultimately affect the lives of many people who may come into the area, and the extent to which the Airport is used in years to come.

Parliament dealt with a large number of bills last week, including one which was particularly urgent because it was discovered that prisoners who had been convicted in the A.C.T. and were serving sentences in the Goulburn Gaol could not be held there because of a legal technicality. This anomaly was rectified by a bill which passed through the House of Representatives early in the week. On Thursday, there was the Grievance Debate, a time given to matters brought forward by various members — usually problems or grievances which arise in electorates from time to time — hence the name "Grievance Debate". Nineteen bills were also dealt with on Thursday, and during the day there was a very pleasant interlude when a party of 23 International Air Hostesses arrived in the Speakers Gallery. They were entertained later by one of the young bachelor members, Mr. Donald Cameron of Brisbane. The hostesses are taking part in the International Air Hostess Quest which is being judged at Surfers Paradise on Friday next. They certainly looked most attractive in their smart clothes some dressed in the national costumes of their country.

4th Altona Ladies Meeting

The final meeting of the year for the 4th Altona Ladies Auxiliary will be held this Friday, November 22, at 8 p.m., at the home of Mr. K. Stevens, G.S.M. 19 Maidstone Street. Ladies are asked to bring refreshments for supper.

"Sunbeam" Demonstration for Mothers Club

The Altona West State School Mothers Club will hold a "Sunbeam" demonstration, given by "Fabulous Fenn", at the school on Tuesday, November 26, at 8 p.m.

Donation is 30c and mothers are asked to bring a plate of cakes, sandwiches, etc.

Glasses Found

A pair of reading glasses, apparently belonging to a young child were swept up by the Council street sweeper in the vicinity of Allan Street or Ross Road on Wednesday, November 13. They may be claimed from the Shire Offices.

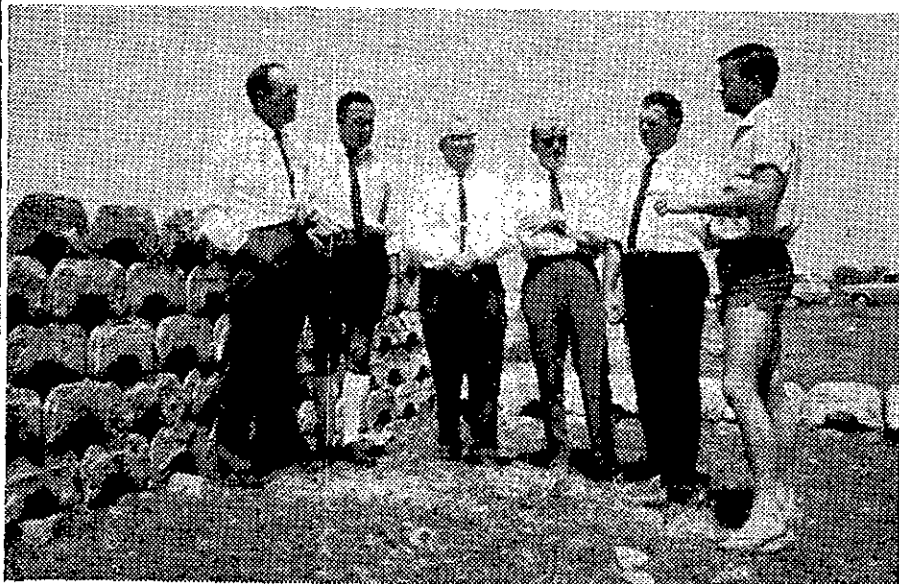

NEWSPAPER COLLECTION

Disappointing news has been received confirming the non-collection of paper accumulation.

The Hospital and Charities waste paper appeal notify that Altona papers collection has been discontinued. At best there will be no pick up until the new year.

It is understood that falling prices for these materials has made their collection generally uneconomical.

Plan Approved For Apex Park Development

Altona Apex Club Park Director Angus Haygarth on the right explains to Councillors some of the Club's plans for developing the adventure play ground.

The Shire Council has approved the Altona Apex Club's plan for the development of Apex Park.

Already the club has spent \$6,000 on 29,000 cubic yards of filling and at present is developing an adventure playground.

The western boundary of the park has been fixed as a line 900 feet along Queen St., and 920 feet along the foreshore from the eastern boundary of the reserve.

Provision of a toilet block is to be considered for the Council's next budget and a Government subsidy will be sought for it.

Responsibility for maintenance of the reserve is to be considered later when the necessity arises.

The Apex Club is to submit a detailed drawing of the proposed sign that it is planning to erect for the Council's approval.

When Apex Reserve was created it comprised Crown Land which was formerly known as portion of the Buffer area and the Lands Department made the Council of the Shire of Altona

a Committee of Management for the land. A set of regulations was drawn up and approved by the Lands Department. The Council made application for the land to be known as Apex Reserve and in due course discussions took place with the newly formed Apex Club which had ideas for the development of such for play ground purposes. The Reserve is the portion of land south of Queen Street opposite Koorringal Golf Club and between the old Explosives fence on its western boundary and the residential land just west of Maidstone Street. The Club is currently developing the eastern end of the Reserve for play ground purposes and has labelled such an adventure play ground.

In approximately the middle of the Reserve the Council, with the approval of the Port Phillip Authority, has set aside a wide neutral area for the launching of boats. It was an idea for the development of the western end as a

camping area and a previous Council had lengthy discussions with a private individual who was wanting to develop such. But the Policy of the Lands Dept. is that land which is being used by a Council as Committee of Management must be used for the recreation and open space purposes for which it was made available. Camping is an accepted use of such but the camping arrangements or rather the income from camping must be used for the development of the Reserve. The Department will not approve of a private individual developing Crown Land for personal gain other than to raise satisfactory living salary.

Incidentally, the Council has an application currently before the Lands Department for extension of this Reserve in a south-westerly direction to link up with the new Board of Works drain. The original Reserve is about 11 acres in area and perhaps there are 6 or 7 acres of Reserve within the old Explosives fence which could be, and probably will be, made available to the Council in the near future.

SUCCESSFUL YEAR FOR ST. EANSWYTHE'S C.E.B.S.

For the first time the senior shield in the Melbourne Diocesan Athletic Sports has been won by a western suburbs group — the boys of St. Eanswythe's Anglican Church — and it was decisively won with a record aggregate.

The senior C.E.B.S. (Church of England Boys Society) were outstanding in the sporting field this year.

They also won the "C" grade basketball premier-ship — playing and participating in this sport for the first time.

And then on November 2 the seniors with the junior C.E.B.S. won the District Athletic Sports held on the Australian Carbon Black oval.

These achievements were celebrated at a gathering in the Church Hall after the 9.30 a.m. service on Sunday, November 10. The Vestry entertained the C.E.B.S., their leader Mr. Denis Manger, parents and parishioners.

A large number of people were present including the Melbourne Diocesan Director of C.E.B.S., the Rev. R. McCall.

On behalf of the Parish a presentation was made to Mr. Manger who has announced his retirement from Leader of St. Eanswythe's C.E.B.S.

Rev. McCall spoke highly of Mr. Manger's seven years of devoted service and the splendid work he had done for Altona. He was supported in his

remarks by Mr. Neil Brown who spoke on behalf of the boy's parents and also by Vicar John Lawley.

A small presentation was made to Mrs. Manger by Duke of Edinburgh Award winner Trevor Danger.

The occasion provided the opportunity for the new C.E.B.S. Leader, Mr. Ron Lear, to be introduced and meet the parents and boys, and good wishes for the coming year were extended to him.

ALTONA PRIMARY SCHOOL

The Altona Primary School would like to thank "Petroleum Refineries" for their generosity in donating a cheque for \$15 to purchase books for the School Library.

Last Thursday, November 14, Altona Primary School conducted its third and final "Parent Teacher Evening" for 1968. The staff held a grand total of 474 interviews and would like to thank parents who gave up their time to come to the school.

Illustrated Talk on Indonesia

Visitors will be welcome to the illustrated talk on Indonesia to be given by Lt. Col. Brouwer at the Salvation Army Hall, Queen Street, Altona, on Thursday, November 21, at 2 p.m. They will be guests of the Salvation Army Home League.

Knitting Demonstration

All ladies interested in knitting are welcome to attend a demonstration by a Paton's knitting advisor in the Methodist Hall, Seves Street, Altona, on Tuesday, November 26, at 2 p.m.

Afternoon tea will be served by members of the Methodist Ladies Guild. An offering will be received to defray expenses.

ALTONA NORTH HIGH SCHOOL EX STUDENTS ANNUAL BALL

With the end of the first year fast approaching, the Altona North High School Ex Students Association are culminating a very successful early period by holding a cabaret-ball on December 5, at Shirley Park Reception, Rymell Court, Altona North.

There are still sample tables available for ex-students and friends that wish to attend, what will be a very successful annual event.

The Association's Secretary, Rhonda Kennedy (391-1532) and Stephen Butyn (391-4042) may be contacted to confirm single or party bookings.

This evening will provide an excellent opportunity for all the ex-students to renew old acquaintances made at the school, as well as enjoy the aesthetic surroundings of Shirley Park Reception.

Council Prayers Not Morally Wrong

Dear Sir,

On reading in last week's edition of the
"Altona Star" that the local Shire Council had
opened its meeting with prayer offered by the
newly inducted minister of the Altona Presby-
terian Church, I am constrained to make the
following observations.

Firstly, I must state that
I can see nothing morally
wrong in this action, and I
would neither condemn nor
condone the motives of
those who initiated the move
so to do, but I would com-
ment that it is out of keep-
ing with the present theo-
logical understanding of se-
cularisation, sacral politics,
and the Gospel.

From the same view-
point I comment on the
combined service of worship
held in the Shire Hall on
the occasion of the present
Council taking office, espe-
cially as it has been in-
dicated that these "religious
investitures" are likely to
continue, at least while the
present council is in office.

It is my considered op-
inion that our local clergy
feel rather embarrassed
when members of Council
approach them to conduct
such functions, particularly
when it is realised that re-
fusal on their part, no
matter what explanations
were given, would be cer-
tainly construed as not
"with it".

To the clerics I would
encourage them not to be
so afraid of the awesome
task of proclaiming the Good
News, of making relevant
the words of the Prophets
and the supreme revelation
of the Word Incarnate;

— "Your sacred festivals?
I hate them, scorn them:
Your sacrifices? I will not
smell their smoke.
You offer me your gifts? I
will not take them,
You offer fatted cattle? I
will not look at them.
No more of your hymns for
me!
I will not listen to your
music.
No, let justice well up like
fresh water.
Let honesty roll in full tide."

"I tell you truly, in so far
as you did not do it to one
of these, even the least of
them, you did not do it to
ME."

There is a time and place
for worship, there is a time
and place for Christian
Education which is so ap-
pallingly misunderstood as
being "for children only";
there is a time and place
for Mission, where men and
women renewed by the
means of grace, informed
by the systematic and meth-
odical study of the Bible
and made fully conversant
with insights of the scholars
and theologians in today's
enlightened society, are
thereby equipped to go out
into the world that God
loves and transform it.
That is Mission, and all
these three aspects, viz.,
WORSHIP, NURTURE and
MISSION, are of equal va-
lue and must assume a bal-
anced integration in the
person of those who pro-
fess to be CHRISTIANS.

Ecumenism, true ecumen-
ism that is begins in MIS-
SION, in "I-YOU" rela-
tionships, where "God and
man find joy together in
DOING a common task", for
in the Man of Nazareth,
"the religious quest is
ended for good and man is
freed to love and serve his
neighbour". Religion and
Politics "don't mix", though
our God is "marching on"
politically!

Bear in mind our clerics
are "professionals" who are
well informed in contem-
porary theological think-
ing, and imagine how fru-
strated they probably get at
times when they realise
the almost impossible task
of overcoming the theo-
logical illiteracy of the laity,
even though the latter be
well educated and respon-
sible citizens.

Gabriel Vahamair puts it
nicely when he says that
Biblical iconoclasm is "...a
deflation of man's natural
inclination to deify himself,
or his society or the State,
or his culture ... a re-
lentless exposing of the
manifold, constant proclivity
to elevate the finite to the
level of the infinite to the
secularisation of politics
demands that "no one
clings to the illusion that
his values are ultimate".
Yet the theologically im-
mature still cling to the
"old-hat" beliefs of their

grandfathers that the "State
is a changeless expression
of the divine will, and
therefore do not see it as a
creation of man".

Desacralisation of politics
is part of the secularisation
process wherein "man-comes-
of age" in his world, seeing
himself released from myth-
ical and metaphysical
sureties; and being called
to maturity is the work of
the God of Creation, who
has given the task of call-
ing to maturity to the
community of faith, the Uni-
versal Church.

My only apology for writ-
ing this letter is that it
(possibly) will be "over-
the-heads" of our worthy,
responsible elected repre-
sentatives in our Local
Government, but I know that
the ordained representatives
of the various denominations
in Altona will recognise the
fact that I have drawn
heavily on theologians —
Karl Rahner, Bonhoeffer,
Harvey Cox, Colin Wil-
liams, Barth, Van Buren,
Tillich, to name but a few,
— who have produced vo-
lumes on the topic of se-
cularisation and the new
trends of Christian witness
in an industrial society.

Yours sincerely,

"RATE POWER".

A.L.P. BRANCH MEMBERS MEET JIM CAIRNS

Dr. and Mrs. J. F. Cairns
were guests of honour at a
social evening held in the
Supper Room at Sunshine
Town Hall last Friday night.

About two hundred mem-
bers of local ALP Branches
were present on the invita-
tion of the Labor Federal
Campaign Committee "to
meet Jim Cairns" following
his endorsement as the Labor
candidate for the seat of
Lalor in the next Federal
elections.

After being introduced by
Cr. J. A. Tighe, President
of the campaign committee,
Dr. Cairns and his wife
moved informally amongst
the Branch members. They
entered into the spirit of
Cr. Tighe's suggestion of
"brief speeches but as many
conversations as possible".

Dr. Cairns said that if he
had walked in to such a
gathering in the electorate
of Yarra, the seat he has
held for the past thirteen
years, he would immediately
recognise every person pre-
sent. He hoped this would
soon be the case in Lalor.

During the evening he
made a visit to the Cross-
roads coffee lounge in an-
other part of the Town Hall
buildings, where a large
number of young people
were enjoying themselves
under the supervision of Rev.
John Blacker and his team
of volunteer helpers. He
went over the premises and
discussed the features of
the Crossroads venture with
Rev. Blacker.

The ladies of various
Branches provided refresh-
ments. After supper, Mrs.
Cairns was presented with
a floral shoulder spray by
Mrs. Gladys Crick, widow
of the late Mr. G. R. Crick,
former local Member of the
State Parliament. She also
presented a shoulder spray to
Mrs. H. T. Bowyer, wife
of Harry Bowyer, both of
whom are members of Sun-
shine Branch and have been
well known as hard-working
supporters for many years.
They are leaving Sunshine
very shortly to live in re-
tirement at Murrumbidgee.

During the evening, Branch
members took the opportu-
nity to discuss not only
Federal but also State and
Municipal matters since the
guests included Mr. D. Love-
grove, State Member for
Sunshine, Cr. J. Ginifer,
State Member for Deer
Park, Cr. E. Coulson, Mayor
of Sunshine and all the Sun-
shine Labor Councillors.

The Sunshine Young Labor
Association undertook re-
sponsibility for the enter-
tainment and provided a
three-piece dance band. The
lucky spot prize was won
by Miss Roslyn McKay and
partner.

FRIEDL SPACEK "SCOOPS THE POOL" AT SYNCHRONISED SWIMMING CHAMPIONSHIPS

Mrs. Friedl Spacek, director of the Altona
Blyth Street kindergarten, won three gold me-
dals on Sunday in the Open events at the Vic-
torian Synchronised Swimming Championships
held at Olympic Park.

She won the solo, duet
partnered by Mrs. Faye
Castle and was a member
of the successful team from
the Melbourne Synchronised
Swimming Club — the three
top events on the pro-
gramme.

In the solo swim — Mrs.
Spacek dressed and swam
as a pearl fisher — the
theme for the event.

Theme for the duet was
a "Night on Broadway"
swim to the opening music
of Mame.

The championship team,
Rhonda Tully, Caroline Ro-
gers, Faye Castle and
Friedl Spacek, swam to the
music of the Emperor Waltz.

Three swimmers from the
synchronised swimming club
formed in Altona, the Pi-
rouettes, performed an ex-
hibition swim at the cham-
pionships.

The girls, Jean Huisman,
Tony Sanders and Kerry
Eustace swam the First
Routine to the music of
the Syncopated Clock.

This display was the first
in public for swimmers from
the local club formed only
three months ago.

The girls are coached by
Mrs. Spacek and have been
training at the Olympic
Stadium but now will prac-
tise each Wednesday evening
at the Werribee pool where
the club championships will
be held in March.

Girls interested in learn-
ing synchronised swimming
would be welcomed by the
club. Further information
can be obtained by ringing
Mrs. Huisman, 398-1424.

CAMERA CLUB NEWS

Altona Camera Club
members took part on co-
lour debate last week on co-
lour slides versus black and
white prints, followed by
further discussion on creative
photography. This should
result in more stylised
prints and slides appearing
in future work.

The closing date for prints
and slides for this month's
competition to be handed in
to the print steward is this
Friday, November 22. The
theme is on open one.

This week there will be a
visiting lecturer who will
give a talk and illustrated
methods and techniques of
enlarging.

Members are reminded
that there are three com-
petitions in December. Hob-
by, Bird or animal and
Portrait.

The club will meet at the
Homestead in Queen Street
at the normal time, on Fri-
day night.

POLICE CAR FOR LAVERTON

Laverton police are soon
to have an official police
car.

An order for a Ford Fal-
con sedan already has been
placed with the appropriate
Company, advises Mr. A. W.
Knight, M.L.C.

He said the Chief Secre-
tary informed him that
provision has been made in
the estimates for a Police
vehicle to be allocated for
use by Members of the
Force at Laverton Police
Station.

Mr. Knight said he knows
that this is a long awaited
move by the Police officers
at the Laverton Station to
assist them with their Po-
lice duties.

Special School on Building Programme

A special school for back-
ward children to be erected
in Altona North has been
included in the building
programme the Minister of
Education has advised Hon.
A. W. Knight, M.L.C.

Recently during a debate
in the Legislative Council
Mr. Knight again raised the
necessity for this school.

Now provision for the
school has been included and
matters raised by Mr. Knight
are to be given considera-
tion when the building pro-
gramme is being reviewed.

Mr. Knight hopes the
Minister's decision will be
favourable and that the
building of the school will
take place as soon as pos-
sible.

The site for the building
is at the corner of Ross
Road and Mills Street.

ALTONA DISTRICT GUIDE AND BROWNIE NEWS

During October, 86 Guides and Brownies travelled to Baringo Park, New Gisborne, where they were met by Laverton Guides and Brownies, and a most enjoyable day was spent in outdoor activities, including some enlightening recipes in the way of outdoor cooking.

During the afternoon Vicki Musicka was flown up to Guides, and all who attended voted it the best 'fly up'.

1st Altona Brownie Pack:

Tests passed — First Aid: Wendy Davies and Lynne Goldie; Knitting: Wendy Davies and Lorraine Duff. The Christmas Breakup Party will be held on November 26.

Pack Leader Pam Lyall has received her Brownie Lanyard and Pack Leader's stripes.

2nd Altona Brownie Pack:

Six Tweenies were welcomed into the Pack on October 28 — Tracey Scott, Susan Franklin, Karen McEwen, Angela Wiffin, Pamela Walton and Janine Aitken.

This Pack celebrated its 7th Birthday with a "Spooks Night". Commissioner Caruthers was guest of the evening. Janet Tilt who has left the Pack to live in Sydney was given a small party and farewell gift.

1st Seaholme Brownie Pack:

Two new Tweenies have entered this Pack — Lynn Dryden and Jennifer Swift. On October 10, about 30 members of the Elderly Citizens, Parents and friends helped to celebrate the Pack's 1st Birthday.

Tests passed — Union Jack: Jane Killinback, Joanne Booth, Janet Rice, Rundi Griffiths; Australian Flag: Janis Brown, Jane Killinback, Darlene Johns, Joanne Booth, Janet Rice, Kim Mitchell, Rundi Griffiths; Road Rules: Jennie Flemming, Jane Killinback, Jennifer Weaver; Nature: Janis Brown, Joanne Booth, Michele Haslam, Janet Rice; Buttons: Jane Killinback, Jennifer Weaver. Table Laying: Jennie Flemming, Christine Harrison, Rundi Griffiths.

2nd Altona Guide Company:

This new company has 7 girls attending regularly. These girls have yet to pass their Tenderfoot which is now possible. Mrs. M. Barling is congratulating on receiving her warrant as Captain of this company. 1st Seaholme Guide Company:

Badges Passed: Gymnast, Alison Tilt; First Aid, Cheryl Wallace.

Ten guides walked to Williamstown Naval Dockyard on Open Day. This was part of their 6 miles Expedition. They were able to visit the HMAS Queensborough and Paramatta and various other exhibits. Mothers transported them back home, but all are convinced that they are an inch shorter as a result of the day's outing.

Seaholme company will close for the year on November 25 with a barbecue at the home of Mrs. Saunders.

Girls have been making toys and gifts for the toddlers at Berry Street Babies Home and hope to visit there on November 23 at 2 p.m.

A new patrol has been formed with Cheryl Wallace as P.L. and Noelene Colvin as 2nd. The company is very grateful for the help given to Mrs. Winder during the past few weeks, and a special thank you is extended to Lynette Hansen who was a Guide a few years ago.

This is what is liked — a Guide who has had her years of Guiding, not hesitating, when an emergency arises, to offer her services — it is felt Guiding has been worthwhile when Lyn did this. Thanks.

Other ex guides who like Lyn could help out when Guides need a bit of extra help would be most welcome.

Church Parade: Held at St. Eanswythe's Church of England on November 3 and was reasonably well attended.

1st Altona Guide Company:

Tests Passed — Needlewoman: Helen Swift, Lynette Bulmer, Jennifer Harrington; Hostess: Kersti Toom & 2nd Class: Susan Cartwright.

1st Year's Service Stars awarded to: Jeanette Morgan, Susan Dern, Kersti Toom, Jennifer Heinson.

Twenty girls are working for the Child Nurse Badge. Altogether 54 Badges have been gained since the beginning of the year.

The girls joined in the Jamboree of the Air with the 4th Altona Scout Group.

School Committee to Award Scholarships

The Altona West State School Committee held their monthly meeting on November 13, at which it was decided to award 4 scholarships to the 2 top girls and 2 top boys in Grade 6.

The top 20% highest children excluding scholarship winners, will receive certificates.

The new class rooms now being built at the school should be ready to open in February. It was decided to write to the Council asking for a school crossing to be put in Civic Parade, opposite Medford Street.

Square Dance Club Activities

Last Thursday night, members of the Altona Square Dance Club spent a most enjoyable evening with the newer members quickly picking up the latest movements.

Altona had a very successful night at Ron White's Fancy Dress Dance the previous Saturday, taking three first prizes in various sections.

Friday night saw 6 carloads of club members leave Altona for a rendezvous at East Balliang, where Ron Mennie of Box Hill called to a capacity crowd of 14 sets.

Win and Gordon Lewis are holding a workshop night at their home on Saturday, November 30 and members are asked to keep this date free so they can attend.

Why not make it a regular date with the square dance club, and learn to do-ci-do to David Hooper's modern square dance calling? Just go along to the Altona Youth Club Hall, Civic Parade, each Thursday night.

The final night for the year will be held on December 4 with a "Tramp Supper Party" to which 2nd Altona Guides and the Guide Commissioner, Mrs. Carruthers, have been invited.

Fourteen girls attended the Church service at St. Eanswythe's on November 3, this followed a Court of Honour tea which had been held at the Guide Hall. Apparently Sunday Tea at the Guide Hall is a popular meal with the Guides of this company.

In their first year of competition the volleyball team from Altona North High School has won the Victorian Women's B grade premiership.

Throughout the season Altona lost only the first two games and finished the year on top of the ladder.

The women's volleyball club of "A.N. Students" was formed at the school in February this year.

It was registered with the Volleyball Association of Victoria and entered the "B" grade competition against well-established and much more experienced clubs.

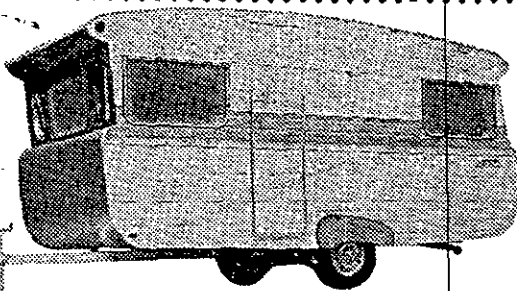

Games were played every

Friday night at Monash University or Fitzroy.

The top four teams who played off in the finals were — "A.N.S.", "R.S.C.", "Watsonia" and "Merrilands".

In the first semi-final "Watsonia" defeated "Merrilands" and in the second semi-final "A.N.S." lost to "R.S.C.", 1-3. In the preliminary final "A.N.S." defeated "Watsonia" 3-0 and went on to win the Grand-Final and the Victorian Women's "B" Grade Premiership by defeating "R.S.C." 3-0.

At the Presentation Ball, "A.N.S." team received the winner's Cup and each member was given a diploma.

YACHT CLUB REPORT

At this stage of the yachting season the westerly gales are beginning to subside and pleasant, sometimes fresh sailing breezes are eventuating.

The high standard of competitive class racing seen in previous weeks is being maintained, although a junior fleet at this stage has not been well supported.

Last weekend saw three races held at the Yacht Club, consisting of a Saturday afternoon sternchaser race, with another two races on Sunday. The later two races were a Windor trophy race and during the afternoon a Hornet class social race.

Saturday's race was conducted with fresh westerly winds. Most of the results followed the consistent pattern of fast close time and notable individual performances by most competing.

A Sunday morning race was a change for the books when competitors enjoyed the pleasures associated with pleasant 5-10 mph winds, although the wind direction was always alternating. This makes one appreciate a more relaxing style of racing but in turn made for a frustrating race for those who took unfavourable wind shifts and found themselves dropping from major to minor placings.

Problems associated with light weather sailing were not common to only one class and many competitors suffered accordingly.

The larger Hornet class yachts took to the water during the afternoon and the wind began to increase from the west. The social race previously organized became a vigorous afternoon work for those concerned on wind gusting at times in excess of 20 mph. Spectators both at the club and along the shore saw some of the best and closest high speed sailing held at the Yacht Club for some time.

SNAKES AND A MAGICIAN AT FETE

Parer the Magician and Frosty Rabbit, a reptile show, and tractor and hay rides are just some of the attractions which will be at

SEAHOLME LITTLE ATHLETIC CLUB

Last Saturday at Newport Oval the Under 12 boys came to the fore with three first placings in the 60m. hurdles.

Maurice Curtis, Stephen Parkin and Bruce Harper each took approximately 1 second off his previous time in winning his respective heat. Barry Howden (Under 10) did well again with a first place in the 100m. event. Norman Cooper and Peter Harrison both ran well in their heats also.

The important thing that all competitors are realising is that it is not necessary to be first all the time, provided that they keep trying to improve their performance. Last Saturday, Graeme Wise was one who found that by taking ½ a second off his previous time for the 60m. hurdles he was able to take 1st place.

The girls did not do as well this week. Joyce Hewitt was the only winner although Leanne Webb ran a very fast race to take a second place. Come on girls, it will be your turn next week.

All club members are reminded that practice especially for Seaholme Club is held each Sunday afternoon at 2.30 p.m. at Seaholme School. For the use of the school grounds and facilities the Club thank very sincerely the Seaholme School Committee.

Seaholme Little Athletic Club members are welcome to attend a Film Night at Methodist Church Hall, Seves St., on Saturday, November 23, at 7.30 p.m. Films on Track & Field events will be shown. Admission will be by donation, it is hoped as many as possible will attend as the films should be very helpful and informative.

1st placings for Saturday, November 16 were:
U. 12 boys 60m. Hurdles — M. Curtis. Time: 10.7 sec.
U. 12 Boys 60m. Hurdles — S. Parkin. Time: 10.8 sec.
U. 12 Boys 60m. Hurdles — B. Harper. Time: 12.4 sec.
U. 11 Boys 60m. Hurdles — G. Wise. Time: 12.4 sec.
U. 10 Boys 100m. Run — B. Howden. Time: 15.3 sec.
U. 12 Girls 200m. Run — J. Hewitt. Time: 34.7 sec.

A.W.M.C. BOWLS RESULTS

Results of the fortnightly social bowls played at the Altona Working Men's Club are as follows:

Tuesday, November 12, 3 games. — Joyce Rowe, Dave Canavan.

Special prize — Alice Yates and Alice Gore. Joyce Rowe also won the entrance prize.

Winners from the previous Tuesday were Thelma Camp (Capt.) and M. Mills, Beryl Brown.

As from Tuesday, November 19, bowls each fortnight will commence at 10.30 a.m. Admission is 25 cents plus a plate of refreshments, so come along and support the Club. The next bowling day is December 3.

the annual fete on Saturday, November 30, at the Altona North State School in Cresser Street.

Christmas stockings, lucky dips and the usual variety of stalls will be available.

Naturally there will be plenty of eatable goods for sale.

Residents are urged to support this function and help the Mothers' Club achieve its present goal — to provide as soon as possible a canteen for the school.

Girls' Gymnasium Annual Meeting

Altona Presbyterian Girls' Gymnasium will hold their Annual Meeting on Saturday, November 23, 1968, at 2 p.m. in the Church Hall.

All mothers are asked to attend if possible, as the financial statement and secretary's report will be presented.

There will also be an election of office-bearers for the following year. November 30, at 2 p.m., is the day for the Gymnasium Break-Up Party. Each family is asked to provide a plate of "Goodies" and a suggestion of a game to play. Everything else is supplied.

Westona Little Athletics Club

R. Douglas and G. Rohleder of Westona boys team established new records at Newport Oval last Saturday in inter-club competition.

Glen Rohleder running in the Under 10 800m. was clocked at 2 min. 45.6 secs., this time now becomes a new Centre record.

Ricky Douglas high jumping in the U. 12 age group, participated in a three-way tie for first place. This is an unusual happening to occur in a high jump, and, becomes more so when each in clearing 1.34m. sets a new Centre record. Craig Dodd scored a double.

Track Winners:

GIRLS —
U.10 70m. — J. O'Connor.
U.12 400m. Walk — G. Rohleder, A. Wilsner.

BOYS —
U.9 100m. — S. Bazga, P. Penfold, G. Scholes, G. Burnett.

U.11 60m. Hurdles — R. Magnabosco, N. Totney.
U.12 200m. — C. Dodd.
U.12 60m. Hurdles — C. Dodd.

Field Event:

U.12 H. Jump — R. Douglas (1.34m. Record).
In the competition for Williamstown Centre club champion, Westona boys are in second place with 124,382 points behind Westport 127,811 points gained. The girls are down in seventh position with 60,384 points. Westport girls are on top with 105,335 points gained. These figures are as at November 9, 1968.

Saturday next, November 23, is the night to go along to the Methodist Hall, Seves St., Altona. Commencing at 7.30, films will be screened to interest all children and adults alike. A donation is the admittance. It is hoped to see you there.

ROBERT BUTTERFIELD NEW TENNIS CHAMP

Robert Butterfield has broken the grip Ron Graham has had since 1960 on the "A" Grade singles title of the Altona Tennis Club.

But Mrs. Jan Parkinson continues her domination of the ladies' championship. Finals Day for the 1968 titles was held on the local courts last Sunday.

In a closely fought match Butterfield defeated Graham 8-6, 9-7. Graham had held the title for eight consecutive years.

Mrs. Parkinson has won the "A" grade ladies final each year since 1956, except for two years through sickness. In 1962 illness caused her withdrawal from the semi-finals and in 1963, still recuperating, she was unable to enter the championships.

Last Sunday to again retain the title she defeated Mrs. Linda Findlay 6-1, 6-3.

At the conclusion of play on Sunday the Shire President, Cr. W. L. J. Crofts presented trophies to the champions. Other title holders and runners-up are —

Men's Handicap Doubles — Robert Walker, Greg Findlay defeated Michael Kelly, Ian Harrington.

Ladies' Handicap Singles — Mrs. Olive Kelly defeated Mrs. Linda Findlay 10-8.

Men's Handicap Singles — Robert Walker defeated John Trickey Snr. 10-3. B Grade Men's Singles — Graham Russell defeated Geoff Wood 8-6.

B Grade Mixed Doubles — Susan Morrow, Wayne Thomas defeated Helen Shields, David White 8-4.

One title has still to be decided — the B Grade Ladies Singles Title. Beverly Sandilands and Helen Shields will play off for the title at 10.30 a.m. next Sunday.

UNDER 14 CRICKET

In the round of matches played last Saturday Altona remained the only undefeated team by beating Seaholme outright and Altona West notched their first win at the expense of St. Eanswythe's who have yet to win a game.

The top performers in last Saturday's matches were a fine 61 by A. Miller of Altona West and 54 n.o. by J. Leigh of Seaholme. 9-year-old N. Waghorn of Altona turned in the amazing bowling figures of 7 for 9 and 6 for 24. These lads show great promise.

SCORES:

Altona 7 for 76 dec. (Mindenhall 31, Jenkins 26, Paone 3 for 29) and 0 for 43 (Willett 16 n.o., Jenkins 15 n.o.) defeated Seaholme 33 (Paone 26, N. Waghorn 7 for 9) and 83 (Leigh 54 n.o., Briscoe 9, Waghorn 6 for 24).

Altona West 84 (Miller 61, Naughton 3 for 16, Langdon 3 for 4) defeated St. Eanswythe's 7 for 50 c.c. (Naughton 22, Grieve 9 n.o., R. Hancock 9, Bryden 5 for 20) and 9 for 69 (Naughton 26, R. Hancock 21, Bryden 4 for 28, Pelarge 2 for 15).

Next week's games: Seaholme v. St. Eanswythe at Seaholme S.S. Altona West v. Altona at Altona West S.S.

Hospital Auction Totals \$7,061

A number of local firms and schools provided cash bids for the Mock Auction last Friday at the Footscray District Hospital.

The I.C.I. Pigments Plant at Laverton for their one Million Hour Safety award gave \$500 which will provide 4 beds complete, 4 cot sides, 4 lockers, 4 mattresses and covers and 4 bassinets for the new wards. Donations included cheques from:—

Western Suburbs Darts Comp. Nearly Completed

The first division of the summer competition has been virtually won by the Bristol Hotel. With 3 games to go they have a 12 pts. lead on their nearest rivals, Tottenham Hotel, who are holding 2nd place on percentage points, ahead of I.C.I.

In division two, it's anybody's league. A.W.M.C. up to last week, were top dogs, but with a shock 10-3 home defeat by B.F. Goodrich have slipped back. A.W.M.C. have only lost 2 games and both of these to the same club.

The K.O. cup for the Elderly Citizens have 8 teams entered, Melton, Goodrich, Tottenham, Bristol, Seaholme, P.O.W., A.W.M.C., Central.

Each club paid \$2 entry fee, starting the fund off with \$16 in the kitty for the old folk. Any other club wishing to donate \$2 or less to this good cause are welcome, as the more the merrier. It is hoped to reach \$100, as last year \$60 was presented for a Christmas box to Williamstown retired citizens. This year it is Altona's turn. The draw will take place at the next Council meeting. League fees and special efforts go into the fund. Donations may be sent to the Western Suburbs Darts Association, Box 16, Altona, 3018. All donations will be acknowledged.

B.F. Goodrich — C.S.R. Chemicals Ltd. \$100; Hoechst Chemicals (Aust.) Ltd. \$50; Kellogg (Aust.) Pty. Ltd. \$5; Australian Synthetic Rubber Co. Ltd. \$30; Union Carbide Australia Ltd. \$50; Australian Carbon Black \$20; Laverton State School No. 2857 \$20; Altona High School \$50.

Money Available for Diploma Building

The sum of \$283,000 required to finish the new \$2,500,000 diploma building which has been lying dormant for some time at the Footscray Institute of Technology has been allocated for the job.

In the hope of expediting completion of the building the matter was raised in Parliament by Cr. J. J. Ginifer.

Following his representations he was supplied with details of the project by the Assistant Minister of Education, Mr. J. Rossier.

At the outset funds totalling \$2,200,000 were allocated from the Commonwealth Technical Training Grant Funds for stage 1 of the building.

A further \$160,000 matched by a similar amount from the State was granted for stage 11.

On the completion of stage I tenders were invited for the completion of the project by way of erection of stage II.

However, in order to provide sufficient funds to permit the completion of stage II, the approval of the Commonwealth Minister for Education and Science was sought for the transfer of funds available for the purchase of capital equipment.

As a result an additional \$283,000 required to complete the building has been provided and the Public Works Department which is responsible for completion of the contract documents for the project, were advised of the availability of the funds on October 21.

The next meeting of the above Association will be held on Monday, December 16, 1968, at the Altona C. C. Pavilion. All welcome.

A Grade in Trouble Against Brunswick United

Altona who were fielding a team weakened by the absence of their three top players in Bob Dare and Jim Page who were golfing and Bob McLeod who had illness within his family staged a rather dismal performance last Saturday when they tackled Brunswick United.

John Cooney won the toss for Altona and had no hesitation in batting on a good wicket, he must have had doubts regarding his decision however when from the fourth ball of the match he was bowled without score. This however was only the start as Graeme Hosken was also bowled with the last ball of the first over and Altona were 2 for 0.

Graeme Kingston opened the scoring with a streaky single whilst at the other end Bruce Waghorn collected four runs with a good hook. From the seventh ball of the fourth over Kingston was out caught and Bruce Forrester followed suit the very next ball.

Altona were in real trouble at 4 for 6, however Waghorn was determined to do something about collecting runs and very smartly had 16 runs to his credit before losing Laurie Eagan. Waghorn was next to go followed very quickly by Ken Duff, Jack Deller who at this stage was one was joined by John Duncan and this pair were able to add 11 runs before Duncan was dismissed and Altona were 8 for 45. It appeared likely that Altona would be in trouble reaching Fifty, however Deller and Dick Conradi combined in a good partnership to take the score to 85 before Conradi tired and was caught.

With only Terry Gray to come Deller successfully farmed the strike until with the score at 93 Altona were all out. This was a pitiful performance considering that 3 players and sundries contributed 88 of the 93 runs.

Brunswick United began their innings to the bowling of Duncan and Deller and the pattern for the day was quickly set when a catch was grounded, this however was not to prove expensive as Duncan was able to bowl the batsman shortly after. Wickets however were hard to come by as 6 catches were missed and the fielding poor, a complete reversal from previous games. At stumps United were 7 for 138, having a lead of 45 on the first innings.

B Grade Batsmen Fail Again

Altona lost the toss to South Yarra, who elected to bat on a beautiful wicket in nice surroundings at Como Park.

After 7 overs, South Yarra were well on top scoring 46 runs. Wayne Norman was then changed to bowl with the wind and Frank Kirk was brought on against the wind with some good controlled bowling and excellent fielding Altona seized the initiative and dismissed South Yarra for 86 runs.

Wayne bowled excellently taking 6 wickets from 16 overs and Frank bowled with good control taking 3 wickets from 13 overs for 18 runs.

Altona started their innings once again drastically losing Ron McCullagh in the first over for 4 runs. Frank Thomas and Alan Baillie then came together and batted well against some really dangerous bowling by John Power (ex State player).

Frank was first to go for 14, but Allan carried on with a determined hand of 16 runs being run out to an excellent throw down of the wicket by John Power. Jim Joyce then came to the wicket and batted as we all know Jim can, with concentration and a bit of aggression but he was fast running out of partners, until Bob Campbell came in and they carried the score to 7 for 84.

With Altona only needing 3 runs to lead on the first innings, the collapse started and Altona were all out for 84.

Once again the Altona batting let the side down. With a lot of practice and better batting Altona will win more matches as South Yarra are a top side.

Crashing into Parked Cars Careless Driving

A careless driving charge against a motorist who ran into two parked cars was upheld in Williamstown Court last week and the driver, Hans Schnurr of Harmon Avenue, St. Albans, was fined \$20.

First Constable Gregory Leeder of Footscray told the Court that on June 8 he attended an accident near the intersection of Blyth and Stanley Streets, Altona.

He said there were two cars damaged at the rear and one extensively damaged in the front.

When interviewed defendant told him a car's head lights had dazzled him but as the car did not stop he was unable to get its number. Schnurr said he was travelling at about 30 mph approaching Maidstone Street when he collided with the rear of a parked car. This car was pulled on to the nature strip and he then collided with another car parked in front of the first vehicle.

SHIRE OF ALTONA NOTICE REQUIRING PAYMENT OF RATES AND INTEREST UNDER THE LOCAL GOVERNMENT ACT 1958.

TO the several registered proprietors or owners or persons appearing by the last memorial of registration in the office of the Registrar-General to be owners respectively of the several pieces of land described in the fifth column of the Schedule hereto and persons appearing in the Register Book or by memorial of registration in the office of the Registrar-General to have respectively an estate or interest in such land, and whose names appear in the first column of the said Schedule.

TAKE NOTICE THAT —

1. Default has been made in the payment to the municipality above named of a rate charged on the several pieces of land described in the fifth column of the Schedule hereto, and such default has continued in respect of each separate piece of land since the date in the second column of the Schedule hereto set opposite the description of such piece of land;
 2. The total amount to the municipality in respect of rates charged on each piece of land is in the third column of the Schedule hereto set opposite the description of such piece of land; and the amount owing for interest thereon up to the date of this notice is as stated in the fourth column of the Schedule hereto;
 3. Payment of these amounts is hereby required; and
 4. In default of payment thereof together with interest at the rate of six per centum per annum on the amounts mentioned in the third column of the Schedule hereto in respect of each piece of land to the time of payment the said several pieces of land will be offered for sale by public auction after the expiration of three months from the date hereof at a time appointed by the Council of the municipality.
- The pieces of land in respect of which the rates and interest specified in the third and fourth columns respectively of the SCHEDULE hereto are owing are those severally described in the fifth column of the said Schedule and set opposite the respective amounts so specified.
- Dated the twenty-first day of November, one thousand nine hundred and sixty-eight.

Municipal Clerk.

SOCIAL SECRETARY FINED FOR SUNDAY BEER SALES

Sales of beer at pleasant Sunday mornings run by the Newport Football Club brought a fine of \$50 at Williamstown Court last week for the club social secretary.

The social secretary, Alan Parker, barman, of Williamstown, pleaded not guilty to a charge of selling liquor without a licence. He was represented by Mr. M. O'Dwyer.

Constable James Wright of the Licensing Branch told the Court that at 11.45 a.m. on September 22 he and two other police went to the Newport Football Club room in Woods Street.

They found about 50 men on the premises, most of them drinking beer. Constable Wright said Parker asked them to sign a book and pay \$2 each, which allowed them to have beer.

After introducing themselves as Police, Parker

told them the Club had a barrel on every Sunday morning, and members could drink as much as they liked for \$2 each. All the men present except the three police were members. The money raised went to assist the football teams.

Mr. O'Dwyer asked Const. Wright if he was told the morning had been run for quite some time. Const. Wright said this was correct and explained the police had gone there that morning because of a complaint received that some people were having too much liquor. But he agreed with Mr. O'Dwyer that the morning was quite well run.

Mr. O'Dwyer told the Magistrate, Mr. J. F. Kean, that his client was the social secretary, and that the pleasant Sunday mornings had been going on for a number of years.

However, since the police had called at the club the functions had ceased.

Mr. O'Dwyer pointed out that the club ran the mornings to support the three teams but it was his client who was being charged.

This would serve as a warning to other organizations against breaking the law, said Mr. O'Dwyer.

As his client represented the club he felt it unfair he should be convicted.

Mr. Kean fined Parker \$50 in default 14 days imprisonment, and granted a stay of six weeks.

storeman

(MECHANICAL)

AGE 30 - 45 YEARS

Our Mechanical Department requires the services of an experienced Storeman, particularly in the mechanical area.

We would prefer applicants to have at least five years recent experience in an engineering store and be qualified to at least Intermediate Certificate. The job involves maintaining the required level of stocks in our engineering store by controlling issues, ordering and receipt of materials. It also involves the supervision of a store assistant.

A competitive salary will be negotiated with the successful applicant. Our Company operates a compulsory superannuation scheme and has many other special benefits such as a Social Club, subsidised cafeteria, and a medical centre. Together these conditions make this a very worthwhile appointment.

Applicants should apply in writing to Mr. T. R. Malcolm, Employee Relations Officer or telephone 399 2333 for further information.

IN MEMORIAM

BANNERMAN Ethel. — Memories of my dear mother who died November 19, 1967. One sad year. Many a lonely hour. Often a silent tear. But always a beautiful memory of one we loved so dear. Your loving daughter Miriam, son-in-law Charles.

BANNERMAN Ethel Matilda. — Last year, November 19. A sad day we remember. For on this day our dear Nanna passed away. But always in our hearts and thoughts shall stay. Dawn, Paul & family, Janet, Joe and family.

MCINTOSH Stanley Gordon. — In loving memory of my dear husband who passed away — result of accident — Nov. 19, 1967. I think of you in silence. And make no outward show. But what it meant to lose you. No one will ever know. Rita.

MCINTOSH Stanley Gordon. — In loving memory of our dear father, father-in-law and grandfather who passed away Nov. 19, 1967. Always loved and remembered. Jacqueline, Charlie and James Stanley.

MCINTOSH Stanley Gordon. — In loving memory of dear dad who left us so suddenly. Nov. 19, 1967. Forever in our hearts. Bobby & Deanna.

O'CONNOR, Daniel, J.P. — In loving memory of my dear father and our loved Dorpa. Passed away Nov. 18, 1965. Rest in peace. Daughter Iris Mead and family.
